House of Glass
Culture, Modernity and the State in Southeast Asia

Editor : Yao Souchou

Drawing on critical theory and postmodernism, this book argues for a new strategy for writing about the social and cultural experiences of living in modern Southeast Asian state.

Pub : Institute of Southeast Asian Studies, Singapore Year : 2001 ISBN : 9812300759(HB) 9812300740 (PB) Bib : 360pp Price : US\$ 36.90 (HB); US\$ 24.90(PB)

Thailand's Crisis
Author : Pasuk Phongpaichit & Chris Baker

This book is not so much about getting into a crisis as getting through one. It reviews what the IMF did, who got hurt, what worked and what failed in the economic and social management of the crisis. This is a lucid and highly readable account of how Thailand reacted as a society and culture to its worst-ever economic disaster. The final chapters review the changes and lessons from 1997-2000 and speculate on how these changes will frame the future.

Pub : Institute of Southeast Asian Studies, Singapore Year : 2000 Bib : 283pp ISBN : 9812300910 Price : US\$ 21.90

Regional outlook
Southeast Asia 2001-2002

What are the prospects for stability in Indonesia? Will the country fragment? How will the politics of Malaysia unfold in the next two years? What will happen in the Philippines? Why has foreign direct investment been falling in Southeast Asia compared to Northeast Asia? What will be the economic performance of Southeast Asian countries in 2001 and 2002? This book attempts to answer these and other questions with succinct yet substantive analyses of current political and economic trends in the region and the likely developments over the next year or two.
