Thai Democracy in Crisis: 27 Truths / Chaturon Chaisang

Bangkok: A. R. Information & Publication Co. Ltd., 2009

xviii. 267p.; 21cm

ISBN-13: 9789749672846

\$ 22.50

<http://www.marymartin.com/web/product?pid=115110>

In this book, Chaturon Chaisang addresses key issues head on. Among other things, he shares his thoughts on the activities of former Prime Minister Dr. Thaksin Shinawatra. He presents a thought-provoking analysis of the People's Alliance for Democracy (PAD- the Yellow Shirts") and its proposal called "New Politics". He offers the same level of analysis of the United Front for Democracy against Dictatorship (UDD – the "Red Shirts"). He looks at the role of the courts and the role of the military in modern Thailand. He also looks at the challenges facing political parties in Thailand. He questions the objectivity of the Thai press. In all, he addresses the current problems facing Thailand in a comprehensive manner and presents elements for a lasting solution.
