Peter Clark Art Book - The Art of Peter Clarke / Philippa Hobbs, Elizabeth Rankin
Fernwood Press, South Africa 2014

224p.;

9781775841616

\$ 50.00 / HB

Originally published by the Standard Bank as part of a curated exhibition in May 2011, this prestigious volume celebrates the life and works of Peter Clarke (1929–2014), one of South Africa's foremost artists. A mere 500 copies were originally published, all taken up at the exhibition, and continued demand has led to its re-release. Clarke left his job as a dockworker in Simon's Town to devote himself to art. The wisdom of this decision is reflected in a remarkable career, which extended over some six decades and was acknowledged in the awards of the Order of Ikhamanga (silver) in 2005 and a Lifetime Achievement Award in 2010. Listening to distant thunder: The art of Peter Clarke recounts an artist's life in the context of the social history of South Africa from the 1940s onwards. His images reflect the social disruption of the Cape Flats, and the trauma of his community's forced removal from Simon's Town to the bleak apartheid township of Ocean View. Yet Clarke's images have avoided bitterness, and his work is a perceptive scrutiny and celebration of life in all its aspects.
