This text is one of his main works on the Madhyamaka school of thought. Gorampa starts by refuting two views of reality he holds to be mistaken, namely those taught by Dolbuba Sherab Gyaltzen, often regarded as the founder of the Jonang School and by Tsongkhapa Lobsang Dragpa, founder of the Gelug Tradition. He then presents the Middle Way according to his school, emphasizing its adherence to the original intention of the Indian Tradition.
