Jazz pianist, composer, producer, vocalist and educator - Jeremy Monteiro FRSA has been a professional musician since 1976, with more than 40 solo albums to his name. Jeremy is also a keen observer and deep thinker. Here, for the first time, he has put many of his "late-night thoughts" to paper, offering us a wealth of hard-won wisdom about life, love, music and human nature. From fond reminiscences that tug at the heartstrings, to funny anecdotes that will evoke a huge guffaw, the essays in this volume take us on an intimate journey into the mind of one of Singapore's most talented, most respected and most loved musicians.
