When Clouds fell from the Sky : A Disappearance, A Daughter's Search and Cambodia's First War Criminal / Robert Carmichael  
Bangkok : Asia Horizons Books Co., Ltd., 2015

328p.

9786167277134

\$ 29.50 / PB

615gm.

The book takes as its centrepiece the life of a young Cambodian diplomat and his disappearance in 1977. Through that event and the 2009 trial of the Khmer Rouge security chief ultimately held responsible, it tells the story of a nation enslaved by one of the century's most brutal regimes, and shows how the damage done during those years remains undimmed.

Temple in the Clouds : Faith and Conflict at Preah Vihear / John Burgess

Bangkok : River Books, 2015

232p.; 79 b/w illustrations with 2 Maps

9786167339542

\$ 25.00 / PB

260gm.

Perched atop a five-hundred-meter cliff in the far north of Cambodia, Preah Vihear ranks among the world's holiest sites. It was built a millennium ago as a shrine to Hindu god Shiva by the same civilization that gave the world Angkor Wat. Sadly, it has been transformed recently into a battlefield prize, first with Cambodian factions during the Cambodian civil war, and later (to present) it has been the focus of sometimes violent border disputes with Thailand.

In *Temple in the Clouds* former *Washington Post* foreign correspondent John Burgess and author of two previous books on Cambodia, draws on extensive research in Cambodia, Thailand, France and the United States to recount the cliff top monument's full history, ancient and modern. He reveals previously unknown legal strategies and diplomatic maneuvering behind a contentious World Court case of 1959-62 that awarded the temple to Cambodia. Written in a lively, accessible style, *Temple in the Clouds* brings new insight to one of Southeast Asia's greatest temples and most intractable border conflicts.
