An educational series on Cavite’s history and heritage as part of the commemoration activities for the 150th birth anniversary of Gen. Emilio Aguinaldo.

The project comprises 12 modules for the first collection series, which seeks to re-live and re-highlight the gallantry of Caviteño heroes who fought the Spanish rule until the declaration of the country’s independence in 1898.

The educational series also aims to preserve Cavite’s rich cultural heritage by focusing on Cavite’s historical sites and churches, history of cities and towns, the origin of the province’s customs and traditions, and its significant role in World War II.
