Dictionary of the Modern Politics of Southeast Asia

Editor : Michael Leifer

This comprehensive Dictionary provides descriptive and analytical coverage of the turbulent political history and striking changes which have occurred both regionally and in key countries since the end of the Second World War. Substantially rewritten to take into account the dramatic political events and developments since 1995, the third edition of this acclaimed Dictionary will provide non-specialists and specialists alike with an essential resource on this constantly changing and volatile region. Including new entries, updated country profiles on Indonesia, Malaysia and Cambodia and a revised reading list, leading authority and commentator on this rapidly developing region Michael Leifer has brought this Dictionary fully up to date. Changes in government, the rise of new leaders and the knock on effect on economy and society are covered including: the death of key figures such as Pol Pot and the rise of a new generation of leaders, dramatic changes of government in Indonesia, Thailand and the Philippines and elections in Malaysia. Countries covered - Brunei, Burma (Myanmar), Cambodia (Kampuchea), Indonesia, Laos, Malaysia, the Philippines, Singapore, Thailand and Vietnam

Key features include:

- * Individual entries provide detailed information and authoritative commentary on the central figures, political parties and organizations, political systems and structures, major events and key documents.
- * For each state covered, an extended narrative analyses its recent history and political and social development.
- * Extensive cross-referencing and a subject index lead the reader to the vital material.
- * Subject bibliographies refer researchers to source and secondary matter.

Japan and Southeast Asia

Editor : Wolf Mendl
Series : Routledge Library of Modern Japan

Japan's relations with Southeast Asia differ significantly in quantity and quality from relations with its immediate neighbours in Northeast Asia. Since the opening of the country in the mid-nineteenth century, Japan's interest in this vast and geographically remote area has varied over time. The one hundred and thirty years under review in these two volumes can be divided into three historical periods: 1868 to the Outbreak of the Second World War The Pacific War (1941-1945) and the Effort

to Establish a Greater East Asia Co-Prosperity Sphere The Cold War Years (1947-1990) and the issues which have arisen since then. This unique set gathers together c.50 journal and newspaper articles from otherwise scattered and difficult to obtain sources along with previously unpublished speeches, creating an invaluable reference tool for both researchers and students in the field.
