1. Constitutional Law – Philippines - Cases
\$ 15.00

<http://www.marymartin.com/web/product?pid=116862>

In this collection of articles and essays, the author confronts a wide range of issues- constitutional theory, adjudication, legal hermeneutics, the bar exams, marriage, psychological incapacity, free speech, presidential immunity, liberalism, church and state – and takes a nonconventional and, at times, critical view of standard legal discourse and prevailing social institutions.

Child Law in South Africa / Trynie Boezaart (editor)
Cape Town, South Africa : Juta Law, 2009
772p.;
ISBN 9780702182129
\$ 72.00

Child Law in South Africa is the updated and greatly expanded successor to Introduction to Child Law in South Africa (2000). In recent years child law has developed into a well-defined field, both in legal practice and in research. Child Law in South Africa, with its eighteen new and seven entirely updated chapters, is intended as a source of first reference for all legal questions pertaining to children.

The Law of Evidence: Cases and Statutes / SS Terblanche (editor), DP van der Merwe, BC Naudé, K Moodley
Cape Town, South Africa : Juta Law, 2009
418p.;
ISBN 9780702182167
\$ 49.50

The law of evidence is vital to all legal practitioners and is included in the curriculum of every South African law degree. It is also compulsory in certain degrees not strictly confined to legal subjects, such as the B-Pol degree. In the fourth edition of this bilingual work the authors have selected a number of statutes and decided cases relevant to the law of evidence and have provided them with

illuminating comments that should assist any student of the discipline.

The Fundamental Principles of Effective Trial Advocacy / WH Gravett
Cape Town, South Africa : Juta Law, 2009
192p.;
ISBN 9780702182112
\$ 35.95

The Fundamental Principles of Effective Trial Advocacy guides the trial lawyer in developing a winning theory and using it throughout every phase of the trial. The text focuses in depth on each phase of the trial from opening statement to examination-in-chief, cross-examination and final argument. The book also examines the characteristics of effective trial lawyers, the rhetorical techniques that enhance the persuasive force of advocacy and the basic principles of formulating effective questions. Practical and engaging examples distil the fundamental principles and strategies that lead to success in the courtroom.
