English, Thai & French Language

\$ 125.00

She presents herself with the vision of this miraculous and disturbing confusion; she infuses this in her own psyche and even in her body. What do these extraordinary manifestations portend? Happiness or misfortune? They form in any case the subject of her perpetual enquiry, the motor of her inspiration. They combine with her creative energy: almost every one of her paintings evokes a force ready to be unleashed, to be free to become a work of destruction.

[Photography Book]

The City of Bangkok is a destination that represents many things to many people, both residents and visitors alike.

To Thais, Bangkok may be the cultural and religious hub of their 70 million-strong nation, or perhaps it's the glowing lights of opportunity for those from the country's hinterlands, determined to better their lot..
