150p. ; 23cm.

ISBN-13: 9789675295171

\$ 15.00

This book offers insights into some theories and practices in first language reading which may serve as a platform for second language reading. Advancement in first language reading theories and instructional practices could be transferred to second language reading domain with appropriate modifications to suit the nature of second language reading. Therefore, second language reading practitioners and researchers might find this book to be particularly resourceful.
