China is a unified multi-ethnic country where many different kinds of religion co-exist. For a long period, people from different ethnic groups have close contacts, rely on each other, and are interconnected with common joys and sorrows. They form a setup of pluralistic integration and jointly create the long and splendid Chinese civilization. Modern China practices the equal, united and mutual assistance policies toward ethnic minorities. It respects and protects the freedom and rights of religious belief of various ethnic groups, improves the harmony of ethnic minorities and promotes the all-round development of various undertakings such as politics, economy and culture of ethnic minorities.

xxxiii. 321p. ; 23cm.
Includes bibliographical references
ISBN-13: 9788962970050 (HB)
Korean Studies Series No. 43
\$ 55.00

Shamanism, an archaic belief system, has more or less disappeared in today's world, but still exists in newly industrialized South Korea that has emerged as one of the world's great trading nations. This book helps unravel the mystery of Korean shamanism and reasons for its persistence in South Korea.

Korean shamanistic ritual (gut) reflects the centuries of Korean culture, society and its ethos, and is based on the principle underpinning all social interactions in Korean society, i.e. reciprocity. Therefore anyone interested in Korea will find this book fascinating and helpful.
