Nationalism / Bethwell Ogot

Anyange Press Ltd., Kenya 2012

iii. 168p. ; 21cm.

In this book, Prof. Ogot shows how the early nationalist ideology which attempted to unite diverse Kenya people under the banner of a single national ideal was killed. National issues and problems of national identity continued to receive little attention. And the rejection of the concept of nationhood by the political ethnic elite, the author concludes, has unquestionably influenced the way Kenyans define themselves.
