Polity, kingship and democracy: A biography of the Bhutanese state / Sonam Kinga

Ministry of Education, Royal Governments of Bhutan 2009
xii, 384p. 21cm.
99936705129
\$ 35.00 / PB
790 gm.

The monarchy that embodied the Bhutanese state for the last hundred years has been the foundation and agency of Bhutans political sovereignty and socio-economic progress. Under its leadership particularly under Fourth king his majesty Jigme Singye Wangchuck the kingdom has embarked on a unique journey towards parliamentary democracy.

Myanmar: A Political History / Nehginpao Kipgen
Oxford University Press, New Delhi. 2016
xvi, 230p. ; 22cm.
Includes index
9780199466306
\$ 18.75 / HB
470 gm.

Myanmar, since its independence from the British in 1948, has witnessed decades of military dictatorship, a plethora of ethnic and political problems, and an arduous struggle to political normalcy and democracy. Reinventing its place in international trade, diplomacy, and geo-strategy, Myanmar today presents a complex picture-and how it engages with its own history plays an important part in this process of transformation.

Myanmar: A Political History examines the politico-historical antecedents of contemporary Myanmar: from colonial rule to the establishment of its first civilian government; the subsequent fall into military dictatorship; and the transition from an authoritarian regime to a democratic government. Kipgen weaves in its relations with the United States, Myanmar's political, economic, and military connect with China; India-Myanmar relations in the context of India's Look East policy; and Myanmar's cooperation problems on human rights within the ASEAN. Lucid and well researched, this book is a valuable guide to those interested in the future of Myanmar as well as South and Southeast Asia, to understand the historical knowledge as to how different political actors played differing roles in the country's transition across governments.
