Away From Victory : Pain, Politics and Privilege in Kenyan Football / Zachary Oguda

Zachary Oguda, Nairobi, Kenya 2019

200p.

9789966131515

\$ 30.00 / null

220 gm.

Away from Victory is a masterpiece that talks about the problems that has faced Kenyan football over the years. From journalist, incompetent leaders and the normal fan.

Away from victory draws its title from how long the Kenyan national football team, Harambee stars has been faring dismally at the continental stage. But the book is about more football events and stories.

This book covers the intrigues in and about the beautiful game that have hitherto been limited to the boardrooms at FKF and the Kenya Premier League. If you want to find out why coaches of the National side pick certain players and not others for national duty, this book is for you.

If you have been wondering why some players are older in real life than in the football pitch, you need to read this book. If you need to understand the intrigues behind the management of the Kenya Premier League, why some clubs feel like certain regulations have been designed to lock them out of business, Away from Victory was written for you.

L'engraisement continu et permanent des administrateurs du football est ainsi porté sur la place publique. Copieusement installés dans les bureaux feutrés, à la Fédération camerounaise de football. Cigares géants, costumes dernier cri, parfums à l'odeur volatile, à séduire et plonger dans un monde paradisiaque, quiconque hume la toute petite odeur, véhicules de classe, résidences obtenues sur le dos des footballeurs, des voyages à l'étranger aux frais des acteurs du football, ces missions rémunérées à prix d'or... On est embêté par cet excès de zèle discourtois.
